P R E F A C E

In this bibliography of criticisms and descriptions of Michael Angelo's works the references are limited to books and periodicals in the library of the University of Illinois.

The works, followed by date and present location, are arranged alphabetically under the subjects, painting, sculpture and works in bronze. Drawings and architectural works are not included. Cross references are made from less known names to best known. Charplin, J: D. and Perkins, C: C. Cyclopedia of painters and painting has been used as authority as far as possible.

The following symbols have been used to indicate the nature of the references _
